

AIH Workshop: Green Walls

Australian Institute
of Horticulture Inc.

Promoting Horticulture
the Profession
of the 21st Century

Come along to this informative workshop learning all about green walls.

Thursday 17 October at 12pm - 4pm.

Don't miss this unique opportunity to see One Central Park Sydney. One of Australia's most notable, award-winning green walls. Join Jock Gammon Director of Junglify as he takes us through this amazing green space.

Two of Australia's leading infrastructure specialists; Jock Gammon and UTS plant scientist Dr. Fraser Torpy, will present their latest research findings and share their big ideas for the future of living infrastructure in Australia.

Don't delay, numbers are strictly limited. Members and Non-members welcome.

Cost: Members: \$88 Non-Members: \$99

Students: \$55.
